Diamond Select Image Guided Therapy

Circular Equipment
2020

innovation  you

Rethink what new means with **Diamond Select**

Philips Circular Equipment transforms used medical imaging equipment into high quality Diamond Select solutions. It's a lower cost and future proof solution, with the same as new quality standards, warranty and support you can expect from Philips. The Diamond Select systems are indistinguishable from new.

More value for money

Diamond Select gives you **extended clinical capabilities at lower cost** - so you can provide the best care for your patients.

Same as new quality

Diamond Select has the same **high-quality standards and support** as you expect from new Philips systems.

Circular eco-system

Diamond Select is **future proof** and enables you to profit from, and contribute to, a circular and sustainable economy.

Diamond Select Image Guided Therapy

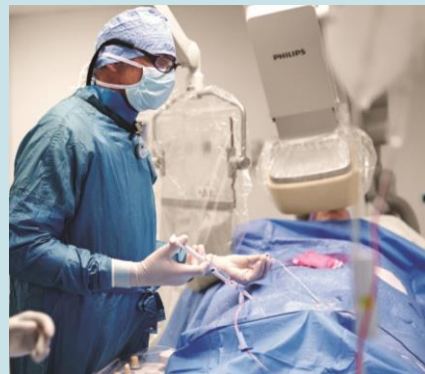

Offering OEM refurbished cardiovascular solutions at lower cost that include same as new service, warranty and support. Together we make the difference in minimally invasive treatment to improve patient outcomes and save lives.
