

**PHILIPS****Medical Capital**

Philips and Philips Medical Capital. We are all in this together.

**Offering our Healthcare Reemergence Program – buy now,
payments are deferred for 6 months**

Valid on orders received by June 30, 2021

We understand in this unprecedented time that healthcare needs to react quickly to a growing crisis and getting the technology has to be a priority. Philips and Philips Medical Capital (PMC) are here to help you with our Extended Deferral Program. This program allows you to acquire the equipment you need today while conserving your budget to fight the COVID-19 crisis.

By deferring your payments, our program can help you get what you need today without the concern of a strain on your budget. To find out more or to take advantage of this program, please contact your Philips or Philips Medical Capital sales team for more details.

About PMC

PMC equips healthcare systems with flexible financing solutions designed to relieve strain on capital budgets. Our years of industry expertise combined with simple and adaptable terms to help you meet your goals and support the critical work of your team on the front lines.

If you have questions, we have answers

To learn more about PMC's unique financing products and programs, contact your local PMC or Philips representative today.
